Subject: Planning and Timeline for ORR Principals Briefing on 12/16

ODs/DODs –

I wanted to start the planning for the development, review and concurrence on the briefing materials for the Oak Ridge Reservation (USDOE) Principals briefing on December 16th from 1:00pm – 1:45pm. To ensure coordination between all of our Offices, and time to pre-brief your Principals, FFRRO will distribute a revised draft of the briefing for comment later today (the original was developed by Region 4 and amended based on the many discussions we’ve had recently). We ask that you provide one set of

comments per Office and that they are from your Office Director or equivalent. Since we only have a handful of days to accomplish this, please help us by meeting the following schedule.

- 12/9 (Thursday) COB – FFRRO distributes the draft briefing for review;
- 12/13 (Monday) COB – Offices send their comments to FFRRO for consolidation, review and responses;
- 12/14 (Tuesday) COB – Final briefing materials are distributed to all Principals; and
- 12/16 (Thursday) 1:00pm – Principals meet for a decision meeting on the ORR topics.

Please let me know if you have any concerns with the timing, our goal is to provide the Principals with the materials 48 hrs prior to the meeting. Thank you.

Dave
